## Short Description

- Economy barrier for crowd control
- 44 different combinations of barriers and posts are available
- Economical and of great quality
- 3 meter belt
- Manufacturer's guarantee, 3 years
- Standard safety system that slowly releases the belt

FlexiBarrier -Economy- are practical yet economical barriers with retractable belts, that are supplied with a manufacturer's warranty of 3 years and has important safety features like a belt lock as well as a breaking system that slowly retracts the belt. This is the perfect, economical solution for controlling customer queues. Belts of 3m with standard colours and printed messages are stocked, and additional colours or personalized printing is available upon demand (At least 10 pcs must be ordered if you require belts with personalized print). The barriers are available in three different, basic finishes or in an extensive assortment of powder coated colour finishes upon demand.

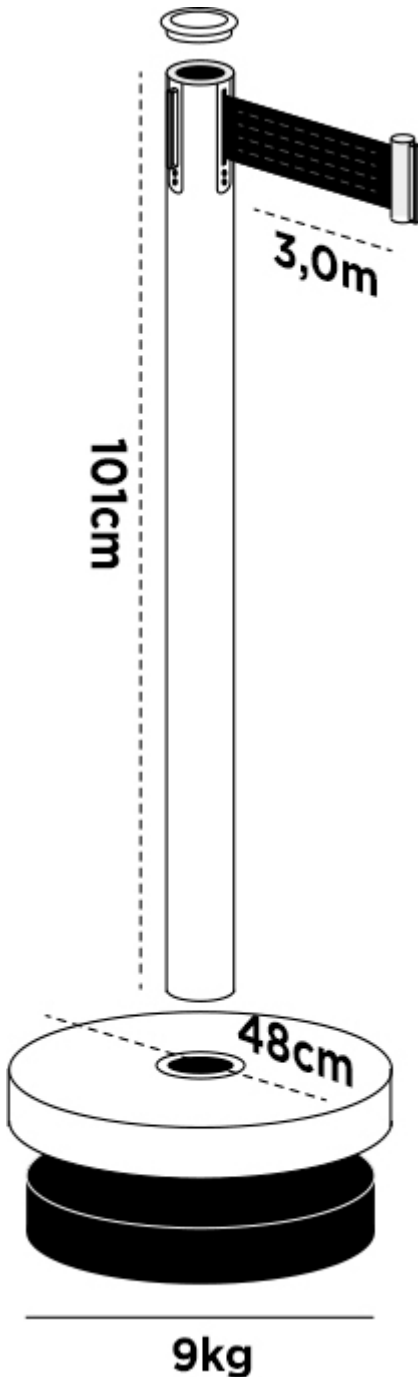

### What You Get

- 1x Concrete base+Base cover plate
- 1x Steel Post
- 1x Fastening bolt to attach base to post

- 1x Integrated retractable belt- length 3 meter
- 1x Universal Belt End (to connect your belt to next post or onto a wall with wall receptacle)

## Description

---

The Flexibarrier -Economy- has a post made of steel and a base made of galvanized steel filled with concrete that comes with a floor protector that covers the entire circumference. The retractable belts of 3m are longer compared to the industrial standard of 2,3m, which means that 45% fewer barriers will be needed.

The belts have a universal belt end, which means that they can be connected to all the larger post brands. The belts are also available in a broad range of basic stock colours.

Note that each purchased unit consists of 1 post and 1 belt.
