## Product Images

## Short Description

---

- Black wall mounted cassette equipped with 4.5 meter retractable belt in red/white or yellow/black.
- Also comes in several belt colors as well as personal prints upon request.
- The belt is easily attached to a wall with the help of a wall receptacle (included) that is secured with screws.

The FlexiBarrier Wall Mount -Basic 400- is a compact wall mounted barrier designed for restricting access in short span applications such as cash register isles, elevators, hallways and doors.

Wall mounting eliminates the need for bulky floor standing barriers and the FlexiBarrier's efficient design will not create an obstruction in restricted spaces FlexiBarrier's stylish ABS housing is both tough for work environments and attractive to suit interior décor. Three belt lengths, multiple mounting and belt end options make the WallPro one of the most versatile barrier systems available.

## Description

---

Wall receptacle for wall mount is included in the shipment.
